Subject: Planet Aid Tax Donation Receipt

Hello,
Thank you for your donations. Please see the attached form for your donation receipt. If you have any questions or would prefer one sent to your mailing address please let me know.
Thanks again,
Emily.

Please note that all value assigned to donation by the donor are considered as our donor's estimate, and not as the estimate made by Planet Aid.
Planet Aid did not provide any goods or services in consideration, in whole, or in part, for any of the property transferred to Planet Aid.
Please also note that the donor cannot deduct any amount for a contribution of clothing unless clothing is in good used condition or better. If the donor claims a deduction for a contribution of property exceeding $500 in total value, the donor must file for 8238 (Non-cash Charitable Contributions) with the IRS. If the donor claims a deduction for a single item of clothing that exceeds $500 in value, the donor must file a qualified appraisal with the IRS. Donors should consult a tax advisor in connection with claiming deductions for charitable donations of property.
